DROP Db COVERS

OUT OF THE BLACK - ROYAL BLOOD
STOCKHOLM SYNDROME - MUSE
SLITHER - VELVET REVOLVER

Eb STANDARD COVERS

THE PRETENDER - FOO FIGHTERS
MAN IN THE BOX - ALICE IN CHAINS
THE HAND THAT FEEDS - NINE INCH NAILS

As a guide, this setlist is designed to represent 40 minutes of music, including speaking and tuning time.

We can play longer or shorter sets, but the ratio of original songs to cover songs will usually remain similar, except at festival sets in which we would not normally play cover songs.

The numbers in brackets represent the tempo (BPM) of each track. We play ostensibly to this tempo via our in-ear monitors playing a metronomic click track.
